2. It is the firmly held opinion of this Office, and one in which ICAPS concurs, that CIA representation on JIG should be under the administrative and operational direction of the Assistant Director for Reports and Estimates.

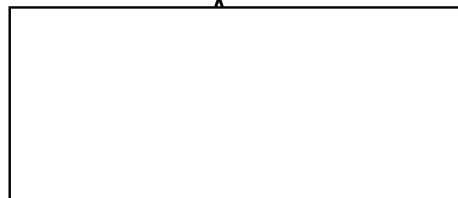

3. CIA representation on JIG was established to facilitate the participation by ORE in the preparation of JIG reports and estimates.

4. The duties and responsibilities of the CIA representative on JIG pertain to intelligence evaluation, analysis and production of finished intelligence, rather than toward collection and dissemination.

5. It is therefore requested that [REDACTED] be assigned to the Office of Reports and Estimates to function as the CIA representative on the Joint Intelligence Group, Joint Chiefs of Staff.
